The Daily Sentinel.

VOL. IV. RALEIGH, N. C., THURSDAY, OCTOBER 8, 1868. NO. 49.

The Daily Sentinel.

WM. E. PELL, PROPRIETOR.

From the Easton [Pa.] Argus.

WHERE DOES THE MONEY GO?

TAX PAYERS, LOOK!

OVER FIFTEEN HUNDRED MILLIONS OF DOLLARS have been collected by the United States Government, in the shape of TAXES, since the close of the war!

Just think of it!

One-half of the National debt!

WHERE HAS THE MONEY GONE?

Is the debt any less?

No! IT IS MORE than it was three years ago!

While Congress has been making the negro the white man's equal, and "reconstructing," and impeaching, FIFTEEN HUNDRED MILLIONS HAVE BEEN TAKEN FROM THE POCKETS OF THE FARMERS, THE MECHANICS AND LABORERS OF THE NORTH AND SOUTH!

The people were told by the Radical patriots and thieves and bummers, that the close of the war would see a restored Union, with peace and prosperity and happiness. Well, the war ended three years ago, the South laid down its arms and surrendered, but Radical hostilities have not ceased.—The fight still goes on against eight millions of white men, women and children, and it cost the country just five hundred millions a year—that's the price.

What has become of these fifteen hundred millions?

Where have they gone to?

Have they gone to pay the public debt? No. Not a bit of it!

How is it that in spite of all this taxation—notwithstanding one-half of the whole National debt has been raised from the sweat and toil of the people, the burden is as heavy, as oppressive, as crushing now as ever?

Fellow-citizens, these are questions for you to answer. Don't allow yourselves to be hood winked. Don't let dust be thrown in your eyes by the conspirators who are stealing your rights and your money at the same time.

When you are asked next November, for your vote in favor of Grant, who is the tool of a crazy Congress, demand to know WHAT HAS BECOME OF THE FIFTEEN HUNDRED MILLIONS OF DOLLARS taken out of your pockets during the past three years.

Ask them the reason why the South, now that the negroes are free, produces only one half what it formerly raised.

Ask them if the Fifteen Hundred Millions have not gone to

SUPPORT A GREAT NEGRO BOARDING HOUSE in the South! And to

SUPPORT A STANDING ARMY OVER THE SOUTH in order that we may have

NEGRO JUDGES!

NEGRO GOVERNORS!

NEGRO LEGISLATURES!

NEGRO GOVERNMENTS!

Instead of appropriating these fifteen hundred millions of dollars to the payment of the Public Debt, they have been expended for the maintenance of a grand system of pauperism, BLACK pauperism, and Congress has just voted to continue the STUPENDOUS ROBBERY another year.

What is the remedy? You have it in your own hands. Vote for men for every office, from President down, who are OPPOSED to these outrageous swindles. Vote for a President who will agree to—

ABOLISH THE NEGRO BUREAU, and let the negroes shift for themselves.

ABOLISH THE EXPENSIVE STANDING ARMY in the South.

But Grant won't do this. He says he has no opinions of his own, and will do just as Congress directs.

SPAIN.

The news from this country seems to leave no doubt of the last Bourbon having ceased to reign. The Queen having refused to return to Madrid, unaccompanied by an obnoxious favorite, her new Prime Minister, Concha, and his brother, commanding the army, resigned and joined the revolution. The Queen thereupon withdrew from "the limit of robbers and assassins," and betook herself to the friendly asylum of Bayonne.

We, some weeks ago, copied an account from a French paper of her personal traits and habits. According to that statement, she possesses not one feminine quality calculated to excite human sympathy for her downfall. She is 38 years of age, but looks much older—in that, partaking of the Bourbon race, which passes suddenly from youth to age, by excessive fat and premature wrinkles. Her proportions are immense, and a Madrid paper was lately suppressed for speaking in commendation of some lean actress, said commendation being construed into a sarcasm on her majesty's beauty.—Her hair is chestnut, her eyes small and blue, her nose slightly turned up, and her face very high colored, indicating gross feeding, to which she is greatly addicted. Her voice is coarse and harsh, and her manners familiar and vulgar. She has no taste for letters or the fine arts, or embroidery, in which latter her mother was a great proficient, and possesses not one womanly accomplishment. With a damaged reputation as a wife, she has never been accused of perpetrating one really kind and charitable act during her whole life. This reflection may minister what consolation it can in the evil days of abandonment and exile which await her.

The cable still talks of a Republic being projected in Spain. We, who have passed through all that, under the most favorable circumstances possible, and realized its vanity, can find it in our hearts to pity the delusion of poor Spanish humanity. But the Radicals, we believe, still talk of a Republic here—fancy they have it and will keep it—and why may not the Dons be permitted to amuse themselves with the same sort of bauble?—*Richmond Whig.*

Forney was President of the Soldiers' and Sailors' Convention of Philadelphia. His greatest generalship was his inveigling the poor player Jamieson into a drunken spree to extort confession from him touching a suspected *liaison* between him and Mrs. Forrest; and his most brave and gallant act was his attack upon the character of that unfriended woman. He was a noble presiding genius for a soldiers' and sailors' Convention!—*Rich. Dispatch.*

THE War Department has issued orders for department commanders to furnish the names of all officers incapacitated for duty by reason, among other things, of habitual intemperance or regular attendance on gaming places.

THE RADICAL ORGAN'S ADVICE TO RADICAL CANVASSERS.

Here is the advice given by the Raleigh *Standard* to the canvassers of its party in North Carolina. Here is the PEACE to which we are invited by the election of GRANT and COLFAX. Here are the necessities requiring Holden's six thousand DETAILED MILITIA. MEN OF NORTH CAROLINA, read this insult to your mothers, your wives and your daughters, and learn the purposes of the cowardly adventurers who are now governing your State. Says the *Standard:*

"BUT WHEREVER ELSE YOU WORK, DON'T FORGET TO WORK AMONG THE WOMEN. THE CONFEDERACY WOULD'NT HAVE LASTED A YEAR IF IT HADN'T BEEN FOR THEM. ONE GOOD REBEL WOMAN IS WORTH A DOZEN REBEL MEN. GO AFTER THE WOMEN THEN. THEY WILL MAKE THEIR HUSBANDS SHOUT FOR GRANT AND COLFAX UNTIL THEY ARE HOARSE, IF YOU WILL MANAGE TO REPLACE SOME OF THE DIAMOND RINGS AND LACES FRANK BLAIR STOLE FROM THEM WHEN HE WAS HERE. AND DON'T HESITATE TO THROW YOUR ARMS AROUND THEIR NECKS NOW AND THEN, WHEN THEIR HUSBANDS ARE NOT AROUND, AND GIVE THEM A GOOD——! THEY ALL LIKE IT, AND THE YANKEES TOO! AND THEN DEFEND IT THERE. OUR EXPERIENCE WITH FEMALE REBS IS, THAT WITH ALL THEIR SINS, THEY HAVE A VAST AMOUNT OF HUMAN NATURE, AND ONLY WANT TO HAVE IT APPRECIATED TO BE THE MOST LOVING CREATURES IMAGINABLE. SCALAWAGS AND CARPET-BAGGERS! DON'T FAIL, THEREFORE, AS YOU CANVASS THE STATE, TO LOOK AFTER THE WOMEN. YOU ARE ALL GOOD LOOKING AND THEY KNOW IT, BUT WITH NATIVE MODESTY, LIKE NEW ENGLAND GIRLS, THEY LIKE TO BE APPROACHED FIRST — DON'T BE AFRAID OF THEIR EYES—THEY GLARE LIKE YOUNG LEOPARDS BY DAY LIGHT, BUT UNDER THE MOON NO BLUE DEATH-STRICKEN PAWN'S IS HALF SO TENDER OR HALF SO DEEP. DON'T READ JUDGE PEARSON'S LETTER TO THEM BUT GIVE THEM SUGAR AND SHELLEY'S POEMS* AND YOU WILL HAVE THEM IN YOUR ARMS, IF NOT IN YOUR PANTS, IN LESS THAN A WEEK."

THE REBELS ALARMED.

The rebels against the Constitution and the Union, the rebels who are aiming to overthrow the government of our fathers, by the election of Grant and Colfax, are alarmed at their prospects in this State.—The universal lust for office and position among them renders harmony doubtful.

In the first Congressional District, John R. French, the present incumbent, and Mr. C. L. Cobb are the Radical candidates for Congress. Mr. French seems to be the choice of the colored Radicals of the first District, but Mr. Cobb obtained the regular nomination. The colored Radicals in the District are, perhaps, *ten to one* of white Radicals. If this be so, there is good reason why Mr. French should have been selected. The running of French creates uneasiness.

In the fifth District, Billy Henderson obtained the regular nomination over the present incumbent, Mr. Lash, and over "Judge" Tourgee, who desired to supplant both. This creates a great muddle.

The Central Radical Executive Committee here have assumed the prerogative of settling these difficulties by ruling French off the track, in the first district, and Henderson and Tourgee, both, off in the fifth. Whether they will obey the mandate of the Central Junto remains to be seen. French, very clearly, better represents the real character of the Radical party in the first District, than Cobb; and Henderson and Tourgee better represent the two wings of the Radical party, in the fifth District, than Mr. Lash. Let them settle their own discords.

COL. O. H. DOCKERY, the Radical candidate for Congress in the Third District, has changed his tune. He is now an applicant for colored votes. In 1866, Col. Dockery made a speech at Carthage, in which he said:

"I will never ask the negro to vote for me. I am no favorite of his. *I have struck him too many hard licks; and if the negro ever has the right to vote in North Carolina, I will leave the State in twenty four hours.*"

The "Colonel" is of a piece with his brother Radicals. It suits, *now*, to have negro votes, but what would they care for the negroes, if their votes were not necessary to them?

THE Radical Rebels in Goldsboro' attempted to raise a "Rant and Poll-Tax" pole, last Saturday, but, after getting it partly up, it broke in two, and they had to take it down. After getting it spliced, they re-hoisted it. It remained up a day or two, when it broke down completely. As old Amos Kendall used to say, this is "*omnibus*."

THE WAR PARTY.

The Rebel-Radical party is the only party in this country, that is seeking to bring on war, and whose policy, if persisted in, will assuredly involve us in conflict.

All that the Democratic party desire is a return to the paths of the Constitution.—The Radical-Rebels, for the past three years, have been, as their leaders, themselves, confess, acting outside of the Constitution,—willfully and persistently violating that great chart of our liberties, in order to oppress the already prostrate people of the South and to perpetuate party ascendancy. Thaddeus Stevens said that there were but two "d—d fools" in the party, who pretended that the party were acting in accordance with the Constitution. Chief Justice Pearson, with a puerility of logic which has only excited contempt and derision, in his new born zeal for the party, to which he has become a convert, contends that the legislation of Congress is *extra*-constitutional, and, as such, admissible. A few other ambitious persons, whose previous history led us to expect nothing better of them, have embraced the same ridiculous theory, as a pretext to cover their selfish affiliation with the Radicals against their own white fellow-citizens.

The Democrats and Conservatives, we say, only desire a return to the ancient, safe and time-honored ways of the Constitution. By the election of Seymour and Blair, and through the instrumentality of the Supreme Court, they wish to see the constitutionality of these infamous reconstruction measures tested. If declared by the highest tribunal unconstitutional, they are for having them done away with, through the peaceful agencies thus provided. But if Grant and Colfax are elected, although it closes the door to all hope of *constitutional* restoration, the Democrats and Conservatives will submit, patiently, quietly, unresistingly.

The Radical-Rebels swear that if the American people choose to elect Seymour and Blair and to decide that the CONSTITUTION *shall* be preserved, enforced and obeyed, THEY WILL NOT SUBMIT. To prepare for this contingency, now so probable, judging from all the signs of the times and the indications of the day, they are *arming* the negroes of the South and enrolling a black militia! They say that the Constitution shall not prevail,—that they will not let go the reins of power,—that the *people shall not rule!* They are the WAR PARTY. But their vaporings are idle and contemptible. If Seymour and Blair are elected, they *will* submit and they *shall* submit. In this country, the people STILL rule, and these Radical rebels will quail and cower before the indignant majesty of the people like a spaniel before its master!

PRESS THE CANVASS.

The number of great meetings, barbecues, &c., now being held, and soon to come off, in this State, among the Democrats, indicates a very earnest canvass. Besides these, our friends are at work, distributing documents, &c.

The skies are growing brighter, and, if we can judge correctly by the indications, we shall carry North Carolina handsomely. The facts and the figures all look to that result. Thousands, who voted for the Constitution in this State, in the last election, will now vote for Seymour and Blair. We hear of many, who have heretofore acted with the Radicals, coming out from them. These men are even taking an *active part* in promoting the cause of Seymour and Blair. No decided man *against* Radicalism in this State, heretofore, has declared for Grant and Colfax that we hear of. Men here and there, not fully committed, but believed, heretofore, to be opposed to the Democratic movement, may have indicated an intention to vote with the Radicals, but such persons are not disappointing the public expectation. We have always laid it down as a rule, in the present contest, that every man who is *not for us is against us.* Their quiet, undecided course, their unwillingness openly to avow their devotion to the cause of the Constitution and the Union, now clearly and openly represented by the Democratic party in the contest, we have considered ample proof of their leaning to the Radical nominees. The sooner, therefore, men of this class take their position *against* us THE BETTER.

The times call for continued, earnest effort. No man who loves the Constitution, who *prefers* such a government as our fathers gave us, to a centralized oligarchy at Washington, ultimately to be displaced by the *Empire*, can be indifferent in this crisis. The interests of civil liberty are poised upon the decision which the American people will make in the coming election.

The canvass must be pressed vigorously till the day of election. The reckless *extravagance* of the Radical party must be exposed. Its infidelity, its abandonment of sound Republican principles, its despotic spirit, as shown in putting the Southern States under military rule, and its advocacy of the doctrine of negro equality, must be enforced and illustrated. Truth, and truth only, is all that we need to drive Radicalism from the State. The charges made against us by the opposition avail nothing. They assail us to cover up their own infamous and wicked designs. CHARGE UPON THEM, friends! Expose their falsehood and viciousness, and drive them to the wall.

MORE GOOD NEWS FROM OHIO.—Information has reached us to day which makes assurance doubly sure that Ohio will go Democratic on the 13th. instant. Accounts from all parts of the State, derived from sources entirely reliable, point directly to this result. Our information from this State indicates the same disposition to brag and boast amongst the Radicals as exists in this city, but the Democracy of the Buckeye State are firm and earnest, and use their money judiciously, preferring rather to devote their funds towards the legitimate purposes of the campaign than to lock them up in bets which decide nothing.—*Wash. Express 5th.*

PUBLIC DEBT RAPIDLY INCREASING—IF RADICAL RULE CONTINUES, NATIONAL BANKRUPTCY IS INEVITABLE.

The *National Intelligencer* compiles the following facts from a document which is a *transcript* from the books of the Treasury:

It is authentic and accurate. It contains no conjectures or estimates, but only recorded facts. From this table it appears that the debt on the 31st of August last was greater, by over one hundred and sixty-eight millions,

($168,659,236,)

than on the 1st of April, 1865, a few days before the close of the war, the subsequent *rate of increase* exceeding four millions of dollars a month, or nearly fifty millions of dollars a year. But there are results still more alarming. The debt is greater by over thirty-five millions of dollars than it was on the 1st of May last,

($35,085,186.)

On this basis the yearly rate of increase of the debt would be over one hundred and five millions of dollars,

($105,256,458.)

If to this annual rate of increase we add interest at the rate of six per cent. a year compounded annually for twenty years, *the debt, instead of being paid, would be more than doubled, and would largely exceed* FIVE THOUSAND MILLIONS OF DOLLARS.

Now, let us look at the *monthly* increase of the debt for the last four months. This increase was at a rate largely exceeding eight millions of dollars a month, ($8,771,371) but the increase in the month of August last was over twelve millions of dollars, ($12,879,371) being a rate of increase largely exceeding one hundred and forty-four millions a year,

($144,958,984.)

It must be remembered, also, that this last increase of debt is during the great quarter when the average rate of revenue from imports exceeds about one-third the rate for the fiscal year. Suppose the debt to increase at the rate of *one hundred and forty-five millions of dollars, adding to this interest compounded at the rate of six per cent per annum, and the debt would be doubled in about fourteen years, long before which we would have passed into bankruptcy.* Indeed, from the intolerable burden of taxation, arising from such an annual increase of the debt, we should reach national bankruptcy in the Congressional elections of 1870. And yet it is the Radical party which accuses its opponents of repudiation, whilst its own course of *enormous war expenditures in time of peace makes national bankruptcy inevitable.* Indeed, it is only a *vast decrease of taxation and expenditures* which can save us from the disaster. But this reduction can never come from the Radical party, which insists on the continuance of a large *standing army*, to subject the white people of the South, by *force*, to negro governments and negro supremacy.

We have seen the rapid increase of the public debt, not only since the peace, but within the last four months. But this table exhibits a still more alarming fact. It is that whilst the debt bearing interest in currency has decreased on the 31st August last $629,940 728 from the 31st March, 1865, the debt bearing interest in coin had *nearly doubled*, having *increased* on the 31st August last nearly one thousand millions of dollars

($996,130,508)

since the 31st March, 1865. This, for the 30th April, 1865, the annual interest payable in coin was only $63,978,412, whilst on the 31st August last this annual coin interest had reached

($123,562,624)

the increase of annual coin interest being nearly sixty millions of dollars,

($59,595,209;)

or, converting this sum into currency of that date,

$87,009,005.

Now, the total annual interest in coin and currency, as shown by the table, was

$102,836,331,

on 31st of March, 1865, and $127,948,614 on the 31st of August last, showing an increase in the annual interest, payable in coin and currency, on the 31st of August last, of

$25,112,080.

But this, as shown by the table is not the only real increase. Thus we have seen that, whilst on the 30th of April, 1865, the annual currency interest was $45,127,936, it had fallen on the 31st of August last to $1,574,990, whilst the annual coin interest had increased nearly *sixty millions of dollars.*

The account would then stand thus:

On the 30th April, 1865—

Coin interest converted into currency,	$63,408 481
Currency interest at that date,	45,127,936
Total annual interest in currency	$108,536,417
On the 31st August, 1868—	
Coin interest converted into currency,	$108,117,000
Actual currency interest,	1,574,990
Currency interest 31st August, 1868,	$109,691,990
Currency interest after the close of the war, 30th, April, 1865,	108,536,417
Increased interest, 31st Aug. 1868,	$1,155,573

Thus we see that since the close of the war (30th April 1865) the annual interest of the public debt has *increased upwards of forty six millions of dollars.* This increased annual interest would represent a principal sum exceeding *seven hundred and fifty millions of dollars.*

We repeat, then, it is clear that the Radical policy renders national bankruptcy inevitable. That policy regards the rebellion as unsubdued, the States as conquered provinces, still ready for war, and the whites to be kept in subjection by negro governments, sustained by standing armies costing more every year than those of France or England, and with much heavier taxation. The Democratic party proposes a different policy. It regards secession and slavery as forever settled by the war, and by the subsequent action of the Southern States in constitutional Convention assembled. It would repeal the Freedmen's Bureau, disband the standing army, reduce it to a peace establishment, and leave the Southern States to govern themselves in subordination to the Federal Constitution. It is clear, then, that the expenditures can only be reduced by a change of men and measures, and that change can only come from the overthrow of the Radical party and policy. For three years and a half not a single Confederate soldier has been in the field, nor an arm raised against the Federal Government, yet the Radical party during all this period has given us war measures and war expenditures. They have given us standing armies, military governments, and war expenditures; they are rapidly increasing the public debt, and if continued in power must choose between augmented taxation or national bankruptcy. The people may still save the country by a change of rulers and policy, but after the election *it will then be too late.*

For the Sentinel.

Discussion at Albemarle—Jos. Wm. and Font—A Great Day for the Cause.

ALBEMARLE, N. C., Sept. 30, 1868.

Messrs Editors:—On Monday of our Stanly Court, our little town was surprised by the arrival of Font Taylor and Prince Joseph William, heir apparent to the throne. We then learned, for the first time, that the young Prince was Radical Elector for the State at large, and that he was here for the purpose of enlightening the "trooly loil."—He had been informed that there would be a grand rally of the faithful, and he was here to greet them with his presence. A note was addressed to them, asking them to divide time with Mr. J. M. McCorkle and Maj. Montgomery, our former townsman. To this they assented, as they knew the Conservatives would have a reply, if they had to wait until the next day. The crowd was large, but to the chagrin of our Raleigh friends, but few "*gemmen of color*" were present. Font Taylor led off in a talk of an hour. He began by regretting that there were so few of his colored friends present; in fact, we thought there were not enough of them to inspire his eloquence.—He talked about the *fluxers* that grow upon the *rocks* of Yadkin, labored to prove that the negroes about Memphis would make half the usual crop of cotton, and that the rice crop on the Saxapahaw, (he said he would not call that noble stream the Cape Fear, as that was not its proper name,) would be larger than last year, and closed by telling us what a splendid *rider* Gen. Grant was. He told us nothing of the condition of the country, nothing about taxes, nothing about the detailed militia, nothing about Radicalism, and, worse than all, nothing about his success in running the blockade under Gov. Vance and raising fish to feed Gen. Lee's army!

Mr. McCorkle, in reply, told the people that he defied any one to point out a man of prominence, who advocated Radicalism, that was not an office holder or an office seeker. He was willing to admit that Gen. Grant was a good rider, but that he was probably not a better rider than some of his colored friends who were listening to him; that *equestrianism* was not one of the qualifications requisite for a President! He explained, in clear and forcible language, the militia bill, the tax question, propriety of taxing United States bonds and the enormities of Radicalism in general. He called upon the "Prince" and told him he wanted *him* to explain these things to the people.—In conclusion, he urged his hearers to support Seymour and Blair, as our only hope for Constitutional government depended on their election. We all knew Mr. McCorkle to be an eloquent and able debater, but, on this occasion, he surpassed himself and made one of the wittiest, most eloquent and argumentative speeches we have ever heard.

The "Prince" commenced by saying, he saw that but few Republicans were present, that the crowd was evidently against him, but that he liked to talk to Democrats. He made scarcely any defense of the militia bill, but contended that it was necessary in some parts of the State, but that the good people of Stanly would not need it. Oh no! we would have no use for them. The main features of the question he scarcely touched, but was content to urge his Republican friends to WORK for success. His remarks were altogether tame, and created no enthusiasm even among the faithful.

Maj. Montgomery then took the stand and gave a short history of the "Gov." and this "son of his father." He told the people what a good Confederate Lieutenant the Prince made, praised his gallantry at Roanoke Island, and his speech in advocating ten dollars *per diem* in the Legislature. He held up Radicalism in all its hideousness to the scorn of the people and exposed the designs of the Radical leaders. This was too much for the Prince. He frequently interrupted the speaker, amid the laughter of the crowd, squirmed like an eel in the hands of a rapacious freedman, and finally patted his breast and said he, too, was a *conservative.* Isn't that news to you Raleigh folks? Joe a Conservative! The Major must be a great revivalist, and that the most remarkable conversion of the campaign! Let me here predict that Joe and Font will not let any one else reply to them during this canvass. They left Stanly crest-fallen, and a few more such days as that will end the days of Radicalism in this County.

At the residence of her Aunt, Mrs. J. R. J. Daniel, in Halifax County, N. C., on the 28th ult., after a short, and severe illness, FANNY DANIEL, eldest daughter of Mrs. Mary L. Gordon, aged 21 years and 2 months.

"God has the Father taken unto Himself, with the earliest blasts of Autumn, this fragile, lovely flower,—lent to bloom among us a few bright Summers,—and transplanted it in His own garden of fairest buds,—taken her in pity and tender mercy from the chilling frosts and winds of certain sorrow, to dwell in her home among the Angels. Beautiful in person, gifted with intellect beyond her years, and inheriting the loveliest traits of female character, she was the pet and darling of her family, her teacher, her little companions and a large circle of relatives.—Bright and joyous in her disposition, she scattered sunbeams around her, wherever she went, and the saddened heart has many times counted her a welcome blessing. None knew her but to Love her, and cherished hopes almost irresistibly grew and strengthened of seeing her manifold loveliness and graces, thus early developed, ripen in the fulness of a perfect womanhood. But He who doeth all things well, has seen fit to prevent the realization of our hopes, and has taken little Fanny unto Himself, in all the spotless beauty and purity of her childhood, and in humble submission we bow to the decree. Ayre! weeping mourning mother, God's boy will be done! give up your child and bid your tears cease to flow, and your throbbing heart be still; for it is He who gave, that has taken, and He cannot err!

"Clothed in sin, she died to save,
But for a moment felt the rod;
O, whoever such, the Lord declares,
Such are the children of our God."

Messrs. Dowdee and McDonald are invited to be present at these meetings. The time will be divided with them.

STONE AND MURRAY'S CIRCUS.—It will be seen that this great exhibition will visit this City on the 24th. Its claim to be the finest establisment of the kind in the country is said to be well-founded. It receives the highest encomiums of the New York Press.

BARBECUE AT OAK GROVE.—The Democrats and Conservatives of Lick Creek, Fish Dam, Crabtree and Barton's Creek Districts, in this County, have combined for the purpose of having a grand Mass Meeting and Barbecue at Oak Grove, on Saturday, the 24th inst. The amplest arrangements have been made for the occasion, and all persons, irrespective of party, are cordially invited.

Hon. Sion H. Rogers, Col. W. J. Green, Hon. D. G. Fowle, Seaton Gales, Esq., Capt. B. W. Justice, and W. W. Guess, Esq., of Orange, will be present to address the people.

FLAG RAISING AT KITTRELL'S.—The Kittrell's Seymour and Blair Club will raise a Flag at that place on Saturday next. The Flag has been presented by the young ladies of the Female College and vicinity. Gen. M. W. Ransom, W. W. Jones, Esq., and others, are expected to address the people on the occasion. The public, generally, are invited to attend.

THE CENTRAL BAPTIST ASSOCIATION.—This body, of which the Raleigh Baptist Church is a constituent member, meets today with the Wake Union Church, about a mile from Wake Forest College. Visitors and delegates will be charged but half fare on the Raleigh and Gaston R. R.

BARBAROUS MURDER.—A negro woman, named Adelaide Adams, has been committed to jail, in this city, for a horrible murder, in the county, on Monday. She became enraged with her cousin, a little negro girl named Grizz, Peace, for an alleged theft, and, to punish her, placed a rope about her neck, threw it over a beam and pulled at the other end to hold the child, while she beat her. In the struggle, the child's neck was broken, and death instantly ensued. A Coroner's verdict has been rendered in accordance with the facts. The guilty wretch appears to be entirely callous at the brutal deed.

MASS MEETINGS.—The meeting at Salisbury, to day, will prove a great success.

There will be a Mass Meeting at Beattie's Ford, Lincoln, on Saturday.

A great Meeting will come off at Concord on the 15th.

The West is fully alive. Our gains throughout that section, alone, will give us the State by a decided majority.

OXFORD AND TALLY HO.—There will be Democratic Mass Meetings, at these places, respectively, on the 27th. and 28th. The *Index* says that "it is proposed to fairly lift old Granville out of her boots."

WRITS OF ELECTION.—"Gov." Holden announces, at length, that he has issued writs of election for the 3rd. of November to fill vacancies in the two Houses of the General Assembly. We learn that some of the members of the House say, that the report of the Committee on the eligibility of members, in the House of Representatives, was never acted upon, and that, therefore, the seats of the banned members have never been declared vacant. If's have been under the impression that it *was* done.

GLORIOUS LITTLE CALDWELL.—There is but one Radical in the gallant little County of Caldwell, outside of the "colored persuasion."

CAMPAIGN IN OHIO.—A letter from a leading Democrat e journalist in Ohio received here on Saturday represents the campaign in that State exceedingly vigorous on behalf of the Democracy. He predicts the election of at least ten Democratic members of Congress, and says the indications are that the Democratic State ticket will receive a handsome majority. Pendleton, Ewing, Stanbery, and other prominent gentlemen, are addressing the people daily, and numbers of influential Republicans are reported to have declared for Seymour and Blair.—Wash. *Express*, 5th.

GLORIOUS MEETING AT LEXINGTON!

We learn that the Democratic and Conservative Mass Meeting at Lexington, on Tuesday, was one of the grandest and most enthusiastic demonstrations of the campaign. Between 2,500 and 3,000 persons were in attendance,—including a number of ladies,—and all animated by a glorious spirit of enthusiasm.

We hope to be able to give a full account of this great meeting, in a day or two.—Powerful speeches were made by Gov. Vance, Col. Livingston Brown, Hon. A. S. Merrimon, Hon. J. R. McLean, P. F. Duffy, Esq., Wm. M. Robbins, Esq., and Hon. Josiah Turner, Jr.

There was a splendid torch-light procession at night, with bonfires, fire-works, firing of cannon, &c.

We are assured that while this meeting will have the happiest effect, it is, itself, but an evidence of the great re action which has already taken place. Changes by the hundred are recorded throughout that tier of country, and it will present immense gains over the last election.

THE WORK GOES BRAVELY ON!

Public Meeting in Warrenton.

At a meeting of the citizens of Warrenton, N. C., held at the Court House, on Monday, the 5th of October, 1868. Dr. T. E. Wilson was called to the chair, and Mr. S. P. Arrington requested to act as Secretary.

A Committee of three, consisting of Messrs. E. H. Plummer, H. H. Goodloe and W. A. Montgomery, was appointed to draft resolutions, for the action of the meeting; after an absence of a few minutes the Committee returned, and reported the following resolutions, which were unanimously adopted:

Whereas, It appears that, during the hours of darkness, on Saturday night or Sunday morning last, the flag on the pole lately erected by the colored people of the Radical party, in this town, was clandestinely removed, the scroll underneath mutilated, and other injury done to the rigging of said pole by some person or persons to us unknown;

Now, we, a portion of the citizens of Warrenton, and members of the Democratic Conservative party, do

Resolve, That the act above referred to, whether done by persons in sympathy with the Democratic cause, or whether done by Radicals for the purpose of creating political capital, merits and receives our unqualified disapproval and reprehension, and we do hereby declare our belief that the person or persons engaged in the act, if Democrats, are alone responsible for it, and that he or they acted unadvisedly, and without reflection.

Resolved, That while we do and shall strenuously insist upon the maintenance of our own rights, personal and political, we cannot countenance an invasion of the rights of others, however humble; and that we sincerely and earnestly deprecate and condemn all acts, tending, like this one, to produce or increase a feeling of alienation and bitterness between the races; and finally,

Resolved, That we, for ourselves and for our party, do utterly disclaim and repudiate all responsibility for, or sympathy with, this and all similar methods of political warfare.

H. H. GOODLOE,

Seymour and Blair in Johnston.

SELMA, N. C., Oct. 5, 1868.

Messrs. Editors:—The Seymour and Blair Club of Selma held its regular meeting in this place, last Saturday, and although the weather was unpropitious, quite a large crowd assembled under the Democratic Wigwam,—Col. John W. Sharp, President, presiding.

After transacting some Club business, the Hon. W. T. Dortch, of Goldsboro', was introduced, and proceeded, in a masterly manner, to discuss the great issues now pending before the people. This was the first political speech your correspondent ever listened to from the honorable gentleman, (have often heard him at the bar,) and it seemed that his arguments were not only convincing, but were couched in such terms as to force conviction to the most obstinate Radical, that the policy of their party was sure, if successfully carried out, to ruin our common country,—to tear down all *forms* of a republican government,—in fact, to produce a state of anarchy, from which it would seem impossible to escape. This masterly effort of Mr. Dortch had a powerful influence, not only upon his white audience, but upon his colored hearers.

Loud calls, after Mr. Dortch closed, brought to the stand E. S. Parker, Esq., of Smithfield, who, for an hour, delivered one of his best speeches. Mr. P. is a young man, and has but few equals in this section of the State, as a popular stump orator.

SEYMOUR AND BLAIR IN CURRITUCK.

At a meeting of the citizens of Poplar Branch District, Currituck Co., N. C., on Saturday, the 19th. of Sept., for the purpose of forming a Seymour and Blair Club,

On motion of Col. J. M. Woodhouse, Dr. H. G. Land was called to the Chair and M. E. Woodhouse was elected Secretary. Dr. Land explained the object of the meeting in a few well-timed remarks.

On motion, Dr. Land was elected President, Col. J. M. Woodhouse and Josephus Baum, Vice-Presidents, and M. E. Woodhouse, Secretary, of the Seymour and Blair Club of Poplar Branch District.

Dr. H. G. Land addressed the meeting with one of his very able speeches.

It was moved that the proceedings of this meeting be published in the Raleigh *Sentinel*.

On motion, the meeting adjourned to meet again on next Saturday, at 4 o'clock P. M.

UNIVERSITY OF MARYLAND.

Messrs. Editors:—We learn that Dr. J. J. Chisolm, for 13 years Professor of Surgery in the Medical College of South Carolina, and author of one of the best works on Military Surgery, that ever issued from the Press in this country, has been unanimously elected Professor of *Military Surgery* in the University of Maryland, at Baltimore.

Dr. C. rendered signal service as a Surgeon in the Southern army during the late war. His kindness and skill will long live in the hearts of many a wounded soldier, while the position to which he has just been chosen attests the appreciation by his professional brethren of his labors in behalf of the Science and Art of Surgery!

Raleigh, Oct. 6, 1868. D.

Correspondence of the Sentinel.

HENDERSON, Oct. 6, 1868.

Messrs. Editors:—It is very unusual for me to insinuate myself into the columns of a newspaper, but, as the occasion is an extraordinary one, and the times of unusual interest to all of our good people, I deem it proper to ask indulgence at your hands, that I may tell the public what the yeomanry of Granville, Franklin and Warren are doing by way of restoring peace and prosperity to our unfortunate land.

Last Saturday, the 3rd of October, our Seymour and Blair Club met for the purpose of transacting business, and, after adjournment, was entertained by Gen. Badger Harris, Esq., in an able speech of more than one hour's length. W. W. Jones, Esq., was then vociferously called for, who came forward, and, in an eloquent and forcible speech of more than an hour's duration, exposed clearly the fraud practiced by the Radical party upon the confidence of the people. It was pronounced, by men of information, one of the best campaign speeches that they had heard since the commencement of our political struggle. Mr. J. is a young lawyer of unusual ability, and at one time was spoken of in connection with the Solicitorship of this District. The work goes bravely on, and we hope to accomplish much on the 3rd of November.

The 14th, 15th and 16th of the present month are the days appointed by the Executive Committee of the Central Agricultural Society, for holding their Tenth Annual Exhibition. They are making extensive preparations for the entertainment and accommodation of the visitors. The programme for the Exhibition has been issued, and I notice that many fine horses have been entered to compete for the championship of the track. Three silver cups will be offered as prizes.

On the 15th, the Hon. H. K. Nash, of Orange, will deliver an address before the Society. His efforts in this State, heretofore, have won for him sufficient reputation to spare encomiums from my pen. On the following evening, a grand Ball will be given at Mr. J. C. Clark's Hotel, which will redound much to the credit and enjoyment of the occasion.

I hear, in addition to this, Messrs. Editors, that the ladies of the Episcopal Church will give a Concert for its benefit. To those who have not the honor of knowing the young ladies of this parish, I can safely promise compensation equal to their highest expectation. Every thing may be expected of the effort.

The Hotels have made ample arrangements to accommodate guests, and I do assure you they will be second to no others in the State. The railroad arrangement for transportation of persons to and fro, and articles, &c., for exhibition, has been effected by the gentlemen of the Executive Committee, and an elegant brass band of music will be in attendance each day of the Fair.

We sincerely hope to meet each of you, Messrs. Editors, to cheer us in this good work. PROGRESS.

A RADICAL FALSEHOOD NAILED.—The following article appeared in the columns of the Raleigh *Woman Insulter*, a few days since:

"Last Monday evening the Boys in Blue and the Invincibles paraded the streets of Wilmington with music and torches. A number of stones were thrown at them while on the march, and finally a man attempted to wrest a torch from the hands of one of the Invincibles. The Republicans rallied, and the assailing party were driven to the Democratic Headquarters. A general fight seems to have been prevented by the timely arrival of the police. The Republicans were followed from the Rebel Headquarters by an excited crowd cheering for Jeff. Davis and Gen. Lee. How does that comport with the protensions of the Rebel Democratic war party? Several parties were arrested next day and fined or required to give bonds to keep the peace."

In the first place, we have to say that no stones have ever been thrown at any time, at any Radical procession, including the one referred to, in this city, but, on the contrary, Democrats have been assaulted in this manner by Radicals on several occasions. In the second place, no assailing party was driven back to the Democratic Headquarters. In the third place, no shouts and cheers for Ex-President Davis or Gen. Lee were given; and in the fourth place, THERE WAS NO RADICAL PROCESSION, MEETING, NOR PUBLIC ASSEMBLAGE of any sort, *in our city last Monday night*, at all.—*Wil. Star.*

The *Evening Telegraph* (Philadelphia Radical) of Friday begins a dolorous letter as follows: "There is great danger that the Republicans will lose the City of Philadelphia on next Tuesday week. There is at present a strong probability that we will be defeated." This is a substantial abandonment of the contest in advance, and it has been conceded by the Radicals that as goes Philadelphia so goes the State, and that as goes the State so goes the country. Wherefore, Governor Seymour is already as good as elected, the ablest Radical organ in Pennsylvania itself being the witness.

THE WILMINGTON, Charlotte and Rutherford Railroad is now being extended as fast as the iron can be laid. The cars now run to a point within 4 miles of Rockingham, and it is expected the train will go to that town by 15th. Oct. inst. We learn there is iron enough to lay the track to Pee Dee river 6 miles beyond Rockingham, and that the road will be pushed there at once. The grading is nearly complete to the river. The roughest part of the road is from Rockingham to Pee Dee river. The Pee Dee is about 123 miles from Wilmington by this road.—*Pay. Eagle.*

In July, 1865, at a public meeting in Rockingham, Gen. A. Dockery wrapped himself up in a large United States flag, and O. H. Dockery offered a resolution that it be recommended to the United States Government and others concerned—as a settlement of the vexed question,—to continue African slavery for five years longer, although Gen. Schofield had then proclaimed negroes free in N. C.—*Fayetteville Eagle.*

The Democratic State Committee in Pennsylvania, and the Democratic City Committee in Philadelphia, announce that they have discovered the true reason of the present assemblage of Radical suiters in Philadelphia to rest in the design to colonize from outside bummers a lot of voters who will be retained till after the election to throw ballots and do muscular duty at the polls. The thing has been found out, and will be checked in time.

MORE TROUBLE IN LOUISIANA—ARMED NEGROES—RADICAL FRUITS RIPENING!

NEW ORLEANS, Oct. 7, P. M.

Lieutenant Lee, of the Freedmen's Bureau, who was sent by Major Hutchings, in charge of the Bureau here, to investigate the troubles at Opelousas, reported this morning that the immediate cause of the outbreak was a personal difficulty between the Editor of the St. Landry *Press*, a Republican paper, and three citizens, growing out of offensive articles in the paper.—The Editor, named Bentley, who was also a school teacher, was exiled. The report was immediately circulated among the negroes, that Bentley was killed, and couriers were dispatched to arouse the negroes on the plantations; and, in an incredibly short time, they were flocking, fully armed, to Opelousas, apparently being fully organized and prepared for such occasions. Several bodies of negroes were met and dispersed by the efforts of sensible and moderate men,—both negroes and whites acquainting them with the facts regarding Bentley. One body, however, of twenty-five or thirty, led by a negro who called himself Captain, refused to disperse, when ordered. A fight ensued, in which two negroes were killed and four or five wounded. Five or six whites were wounded—two very severely—and a number of horses belonging to the whites were killed. The negro calling himself Captain was one of the killed. Eight of the party were captured and lodged in jail. The balance were dispersed.

Orders given by the civil authorities, disarming the negroes, were executed with some difficulty, but effectually, and the arms belonging to the negroes are now in the hands of the authorities. Opelousas Parish is perfectly quiet.

During the excitement, the material of the St. Landry *Press* was scattered and a portion destroyed.

One white man was ambushed, while riding along the road, alone. He was riddled with balls by three negroes,—*the latter were all caught and killed.* Another white planter reported shot while sitting in his house. The troubles existed only in the Parish of St. Landry.

Lt. Lee reports that he could learn of but two whites who were killed—eight or ten wounded.—Five negroes were killed and fifteen or twenty wounded. He expresses the opinion, that the number of casualties will exceed these, as the negroes, in some quarters, had resisted disarming and had been overpowered.

None of the white Radicals suffered except Bently, and he only in the loss of his printing material and the caning he received.

Lt. Lee reports quiet restored, and everybody pursuing their ordinary occupations. No further trouble apprehended.

NEW GOODS! NEW GOODS!

AT HOME AGAIN!!

WITH A HOUSE RAMMED AND PACKED FULL OF

NEW FALL AND WINTER GOODS,

FOR

1868.

COME TO

A. CREECH'S!

For Ladies' Goods! For Gentlemen's Goods! For Misses' Goods! For Boys' Goods! Ditto for Children!

MY STOCK IS LARGE AND VERY COMplete. Allow me to say that you see some very strange advertisements. Some say they bought goods before the rise—some after the decline—some just in time—some to luck again—some buy goods cheaper than anybody else—some selling goods at unprecedentedly low prices—some controlling the trade &c., &c., and all such stuff. What a lucky set of individuals!

Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug—large enough to be seen even with one eye shut? So let them talk, puff and blow, but sour, LOOK OUT! HANDS OFF! and show your good judgment by

COMING TO CREECH'S

to buy your goods. I intend to run through this campaign with my motto, to give cash and every individual value received for their support!

A fine opportunity for the ladies to exercise their inalienable rights, as well as the gentlemen. Don't stop until you COME TO CREECH'S. You will find me at E. Smith's corner, attending to my business, always ready to give you the worth of your money.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in National Convention assembled, rejoicing its trust in the intelligence, patriotism and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the government do not expressly state upon their face, or the law under which they were issued does not provide, that they shall be paid in coin, they ought in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation to every species of property according to its real value, including government bonds and other public securities.

Fifth.—One currency for the government and the people, the laborer and the officer-holder, the pensioner and the soldier, the producer and the bond holder.

Sixth.—Economy in the administration of the government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the government and the currency made good; the repeal of all enactments for enrolling the militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of the right of appointment to the constitutional authority to whom it belongs, the independence of the executive and judicial departments of the government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty and individual rights; and the maintenance of naturalized citizens against the absolute doctrine of immutable allegiance and the claim of foreign powers to punish them for alleged crimes committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge under which alone was rallied the noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the habeas corpus, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage, to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partizan charges preferred against the Presidency. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment, even of his own Cabinet. Under its repeated assaults the pillars of government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjugated and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and it sanctioned by the people will subvert our form of government and can only end in a single centralized and consolidated government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co-equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary and void; that our soldiers, who carried the flag of our country to victory against a most gallant and determined foe must ever be gratefully remembered, and all the guarantees given to their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people and should be disposed of either under the preemption or homestead laws and sold in reasonable quantities, and to actual settlers or cultivators, at the minimum price established by the government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

Resolved, That we approve of the platform of principles adopted by the National Democratic Convention. It pulters in no double sense—its language is explicit and its meaning clear—the issues presented to the country are plainly and unmistakably defined, and, with a free and fair election, we confidently believe they will be decided by a large majority of the people—and with that endorsement must come such a change in the administration of the National Government as will restore the Constitution and give peace, harmony and prosperity to the country, and especially to the down-trodden States of the South.

Resolved, That it is our earnest desire and intention to bring about these wholesome and necessary changes by the peaceful means of the ballot-box—and all efforts to produce a contrary belief, coming from what quarter they may, are but the tricks of interested partizans of a desperate political faction, bent upon perpetuating its power by any means and at all hazards. They are attempting to alarm the people of this State by the false cry of revolution and war, threatening them at the same time with military force; while, in other States of the South they have not hesitated to take from the people the election of electors of President and Vice President, and to exclude it upon Legislatures, the members of which were elected under military rule without freedom of choice and with no regard to the question of the Presidency, in order to secure the electoral votes of such States for the Radical candidates, in disregard and defiance of the just rights of the people of such states, and of the whole country.

Resolved, That it is our frank purpose now, and has been since the close of our late civil war, to accept and abide by, in good faith and without distur bance, the legitimate fruits and consequences of that war; to yield to the Government of the United States a cheerful submission and allegiance, and to perform all the obligations of good citizens to their rightful Government. And we do proclaim that, in asking recognition on terms of equality in that grand copartnership of States which constitutes our Federal Union, we do so with no hostile intent; on the contrary, we wish to share its benefits and its duties; to rebuild our waste places under the protection of its flag; to re-establish the old era of good feeling in our common country; to thwart the designs of unpatriotic men everywhere, who seek to perpetuate discord and division; and to participate in the blessings, as well as the burdens, of the government.—*Resolutions adopted by the State Democratic Convention of North Carolina, Aug. 14, 1868.*

NEW YORK.

THE UNIVERSAL LIFE INSURANCE COMPANY,

NEW YORK.

Office, No. 60, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The business of this Company is EXCLUSIVELY confined to the insurance of first-class healthy lives.

THE DISTINCTIVE FEATURE

of the STOCK system of Life Insurance, as opposed to the MUTUAL, is a low rate of premium for a stated sum assured, which is IMMEDIATE, SECURED, and CERTAIN; in lieu of a high rate of premium for a promised dividend which is DISTANT, CONTINGENT, and UNCERTAIN; this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

ILLUSTRATION.

Suppose that an individual aged thirty desires to devote $200 a year for the purpose of effecting an insurance on his life; this amount will immediately secure him in the 'Universal' the sum of $11,751, payable on his decease. This sum, paid to a Company charging the ordinary mutual rates, would secure him the sum of $8,474.

The difference between these sums ($3,277) is exactly the same as an immediate bonus or addition to the policy to be paid by the former office to the holder of the policy in case of the early death of the insured. It is true that if the insured, in an office charging high rates, *live long enough*, and have his periodical dividends added to his policy, the sum may equal or surpass that above named; but it must not be forgotten that the *chance of early death* is the very thing the applicant desires to insure against, and consequently the greater the sum immediately secured, contingent on this event, the greater the advantage to the policy-holder.

To illustrate the importance to the policy-holder of low premiums in more general terms, it may be stated that by a reduction of *twenty-five* per cent in the rate of premium, the same amount of money will secure a policy *thirty-three and one-third* per cent greater, and likewise that a reduction of twenty-five per cent in the rate of premium is precisely equivalent to an *annual cash dividend of thirty-three and one-third per cent., payable in advance*, or to a dividend of *forty-five per cent*, payable at the end of five years.

By the *Stock* plan the *full cash effect* of the premium is *immediately* secured to the insured, the Company taxing *all* the risk. By the *Mutual* plan, the full value in insurance of the premium paid is *not* secured to the policy-holder, who takes a portion of the risk himself.

Rates to Secure $1,000 at Death.
